GeoToken.tech: Revolutionizing Real Estate Investments on the Solana Blockchain

Introduction:

Geo Token is a blockchain-powered platform making global real estate investing effortless for everyone. **End users** earn direct monthly rental income from fractional property investments. **Token holders** earn passive dividends simply by holding Geo Tokens, turning ownership into **automatic rewards**.

THE SOLUTION:

Geo Token was built because the **multi-trillion-dollar** global property market is still stuck in the **dark ages**, relying on **slow, costly, and complex transactions**.

Despite extensive experience across traditional real estate markets worldwide, the team recognized a major gap for **blockchain innovation** to **simplify** these processes and **empower everyday investors**.

This technology solves **real-world pain points** for **end users** while creating significant **earning opportunities** for **token holders** and the **community**.

Utility:

Instant Global Investing: Own high-value property worldwide, from just \$100—no paperwork, no hassle.

Automatic Passive Income: Hold Geo Tokens and earn effortless monthly dividends from global real estate.

Real Influence, Real Profits: Your token, your voice—directly shape investment decisions for maximum returns.

Vision, Mission, Goals

VISION

Geo Token's vision is to democratize global real estate investment, making it **effortless, borderless, and accessible to anyone, anywhere.**

We aim to turn **complex property ownership into simple, profitable token-holding for all.**

MISSION

Geo Token's mission is to **revolutionize real estate investment** through blockchain technology, **simplifying global property ownership** and **creating consistent passive income opportunities** for our community of token holders.

GOALS

- **Democratize Real Estate:** Provide affordable, frictionless global property investment access.
- **Simplify Transactions:** Leverage blockchain technology to eliminate traditional property ownership complexity.
- **Reward Community:** Deliver consistent, transparent, and automated income to all token holders.

What is Geotoken.tech?

Description

GeoToken.tech is a blockchain-driven platform revolutionizing global real estate investment.

It simplifies property ownership through fractionalized investments, allowing anyone worldwide to earn passive income effortlessly.

Geo Tokens pay automatic dividends from property transactions and rental income, rewarding holders consistently.

The platform empowers its community by providing direct influence over strategic property decisions and profits.

Geo Token

Pre Sale Map

🎯 Phase 1: Insider Genesis

Token Price: \$0.05

Objective: Launch Geo Token, providing exclusive early access for investors to secure tokens at the lowest price and gain early-stage advantages.

Only available to the first 1300 Buyers.

Projected Launch ROI: +1200% vs the projected Launch Price.

Invite only Access.

🌟 Phase 2: Viral Spark

Token Price: \$0.10 per Token (100% Increase from Round 1)

Objective: Expand our investor community and build momentum by showcasing the platform's growth and early success.

550% Profit Potential.

Full dashboard roll out.

Limited Again to 1,300 Buyers.

🚀 Phase 3: Network Surge

Token Price: \$.20 per Token (100% Increase from Round 2)

Objective: We're no longer a secret. The buzz is real. The token's been featured. Our community is growing, and eyes are turning toward what you're holding.

225% - Projected ROI.

Token Launch

- Round 3 (\$0.40) compared to Round 1 (\$0.10): 300% profit
- Round 1 (\$0.10) compared to Launch Price (\$0.65): 550% profit
- Final Seed Round 3 (\$0.40) compared to Launch Price (\$0.65): 62.5% profit

Geo Token

Pre Sale Map

🎯 Phase 4; Ecosystem Expansion

Token Price: \$0.30 - 6X from Genesis.

The foundation is already solid. Now we build the skyscraper.

By this point, the platform is functional and secure.

Our focus now turns to expanding the ecosystem: Onboarding more users,
Scaling our tech, Launching apps and onboarding institutional interest.

- 🏗️ Growth-focused capital — not dev catch-up
- 🛡️ Tech is already battle-tested
- ⚙️ Scaling operations to meet surging demand

👛 Phase 5: Pre-Launch Lock-In

Token Price: \$0.40 - Final Stretch before the FOMO madness.

Everything's in place. This is for expansion and fuel.

Your money doesn't go to 'fix things' it goes to amplify them. This is the runway phase: CEX partnerships, audit publishing, team scale, marketing explosions.

- ✅ Smart contracts done
- 📈 Allocation to market-making and liquidity
- 🔥 Token has traction — now it gets visibility

🚩 Phase 6: "Final Call"

💰 \$0.50 — Last private round

We're launching. This is the booster phase.

This final round prepares us for liftoff. Launch liquidity gets finalized, promotional campaigns go global, and airdrop snapshots are locked. You're stepping in just before the curtain drops

- 🛡️ Liquidity locking and DEX pair finalization
- 🗣️ PR, influencer & onboarding blitz
- 🚀 Massive upside still — without early risk

Geo Dividends Program

Welcome to Passive Income with Geo Token!

When you hold Geo Tokens, you automatically become eligible to receive dividends. These dividends are generated from multiple income streams.

Our smart contracts perform bi-weekly snapshots of all token holders' wallets. This transparent process ensures dividends are distributed fairly and proportionally based on the number of Geo Tokens each holder owns.

You can withdraw your Rewards in USDT on a fortnightly basis or you can Re-Invest into Geo Token.

Income Sources

- 🌟 REAL ESTATE TRANSACTIONS: EARN DIRECTLY FROM EVERY TRANSACTION ON OUR RAPIDLY GROWING PLATFORM.
- 📈 MANAGEMENT REWARDS: ENJOY RECURRING REVENUE GENERATED FROM MANAGEMENT AND RENTAL SERVICES PROVIDED ON THE GEO TOKEN PLATFORM.
- 🤝 PARTNERSHIP PROFITS: BENEFIT FROM EXCLUSIVE STRATEGIC PARTNERSHIPS AND HIGH-VALUE COLLABORATIONS WITHIN OUR VIBRANT ECOSYSTEM.

START

Airdrop

To allow for sustainable growth, duplication, and user onboarding, we've structured the airdrop and presale into three clear 20-day phases designed to reward early movers and build community momentum

July 28th 2025

Early Multiplier Rewards For Core Audience

- Largest airdrop and referral bonuses
- First access to the presale at the lowest price
- Rewards multiply for those who refer early
- Perfect time for networkers to build fast

August 18th 2025

Phase One Seed Round Closed.

- Bonuses slightly reduced to maintain scarcity
- Increased social proof and public excitement
- More community content and leaderboard updates
- Token price will increase as demand rises

Sept 7th 2025

Phase Three: Final Rush

- Final chance to join the airdrop and presale
- Token supply and airdrop pool nearing exhaustion
- Final bonuses for those who take action
- Countdown begins before official public launch

Token Launch Begins

- Airdrop calculations and final reward tallies will be processed from September 8 to September 17.
- Token distributions begin shortly after.

Sept 18th,
Launch
(TGE)

COMMISSION STRUCTURE

Commission Explained

Six Degrees of Separation

Have you ever heard of the "Six Degrees of Separation" theory?

It means you're just six connections away from **anyone on Earth**

Think about that! Your network has extraordinary power **waiting to be tapped.**

We're excited to announce an amazing Airdrop! **For each referral, you could earn up to \$10 once our token hits the \$1 mark.**

But that's only the beginning. Our Community Reward Program takes your earning potential to a whole new level:

- Level 1 (Direct Referral): Share your link and instantly earn a **14% commission paid directly in USDT.**
- Level 2 (Indirect Referral): **Earn more commissions when your referrals introduce others.**

Your network holds unlimited opportunities—it's **your gateway to HUGE earnings.**

Ready to **boost your income** and leverage the full potential of your connections?

Log into your dashboard, grab your **referral link,** and **start inviting now**—it's your turn to grow!
